Yachting NZ representative Wayne Holdt wayne@yachtingnz.org.nz

- Racing Starts at 2:00pm each Race day
- Decisions on racing in marginal weather will be made by 1:00pm
- Courses will be displayed on the Course board in the club house
- Race results will be announced at approximately 4:30/5:00pm, or at the conclusion of racing.
- In principle, weather permitting, 2 races will be run each normal race day
- The first race of every regular sailing day will count towards the Club Championship and Handicap
- Races postponed on Saturday may be re-sailed on another sailing day, or on a Sunday if needed
- Championship races will not be run ahead of schedule, but can be caught up with one additional championship race on one race day, within the four weeks of an individual series.
- The championship is intended to run over 20 races with the best 15 to count. If fewer than 18 races can be completed, the number of drops allowed will be reduced proportionately.
